Sept. With reference to G.O. No. 1771 W.
dated 11th July 1879 I have the honour
to explain that an estimate of Rs. 834
for repairs to the Subsidiary Jail
at Karasapatnam was sanctioned by
the District Engineer in August 1878
and a little progress was made by Decr.
1878 when the work was stopped under
the orders for the general restriction of
expenditure

Sub Engineer By Seaton, now out of the Department, was the Executive Officer, whose duty it was to attend to the Subsidiary Jail. I have the honor to be

Copy of letter from the Examiner of Accounts handed to the Executive Engineer, Godavari Eastern Division No. 1267/5 dated 27th Dec/80.

With reference to your memorandum No. 1264 dated 8th December 1880 forwarding in original a letter from Mr. C.A.B. Burlton, Assistant Engineer regarding the balance of the amount of Rs. 11-10-0 due by him on account of deferred fees, I have the honor to request you will be good enough to cause to be recovered at once from that Officer the sum still outstanding against him in the books of this Office and report the same to this Office.

2. The amount when recovered should be credited to Reserve Imperial other services at the par rate and the gain by exchange to Civil Department exchange.

3. Mr. Burlton was relieved of his duties in the late Kotapattam Division on the 21st February 1880 and in the salary bill of that Division for that month a proportionate deduction was made of Rs. 4-5-2 and credited to Imperial Revenue other services of the Kotapattam Division, leaving a balance of Rs. (2-5-6) equivalent in English money to Rs. 80 to be recovered from the Godavari Eastern Division from the account of the Godavari Division. This amount was not recovered. (True Copy)

Copy of letter from the Asst. Engineer
in charge Eastern Delta Sub-Division Governor
to the Executive Engineer in charge Eastern
Division Governor District N. 578 dated 2^d Dec.
1880.

With reference to your N. 844 dated
29th November 1880 forwarding for early reply
the Offr. Examiner P. H. Account N. 1002 S dated
22^d November 1880. I have the honor to state that
until I received your N. 741 dated 29th October 1880
I was firmly under the impression that I had
paid up all deferred college fees. The accounts
of this Division, however, show no recovery for the
months of March to September 1878 inclusive
and these should be the final months of
recovery. During my last year at Fort St. Hill
I deferred paying £60 on the condition that
I might refund it in annual payments of
£20 per month £1-13-4 the first recovery
was, or should have been, made in October 1875,
when I was appointed to the P. H. I and the
last was due in September 1878 as above stated.
According to accounts a recovery was made in
February 1878 to the extent of N. 14-15-2 in
this division and I presume that the balance
of that month's recovery was made in the
Kottapattana Division. Supposing no recovery
shall have been made from March to September 1878
I should be indebted to the extent of £11-13-4
viz $\frac{1}{12}$ of £20, £11-13-4 is the amount
left.

stated in the schedule as being due by me: but
that sum is not divisible by 12 so I do not
understand how it can be correct.
