Sir

Madras.

The Executive Engineer
in the Bellary Division reports
that he cannot obtain a proper Cand.
date for the situation of Store Keeper
on Rs 20, as authorised in G.O. N. 1204 W.
dated 20th May 1880. Endeavours have
been made for several months past,
by advertising in the District Gazette
and otherwise, but no one comes forward
upon the conditions required by the Code.
2. A former Overseer, Mr. P. Rammiah
who was discharged on the reduction, last
year, has been in charge of the Store
since the 1st March 1880, on a salary
of Rs 10, under G.O. N. 345 W. of the 14th Feb/80.
But Rammiah is an uneducated man

and the Examiner objects to his employment

3. The Executive Engineer states that Ramiah performs his duty with considerable zeal and intelligence, and under the circumstances, I have the honor to request that he may be permitted to hold the appointment on Rs 20 from the 1st Instant; also that the Examiner may finally pay Rs 10 from the 1st March 1890.

I have the honor to be

Yours most obedt servant
