

Proyapooram,
1st Feb. 1887

To the Rev. F. Warlow,

As. Archdeacon,

Rev. & Dear Sir,

I have the honour to forward
hereunto an Estimate from the Pub.
lic Works Department for the re-erection
in the Washermanpettah Cemetery
of the Watchman's hut, which was washed
down in the rains of October last.

* The proposed cottage, however, will
scarcely be a "re-erection" of the original
hut, but rather the substitution of a
permanent for a perishable structure.
We may thus hope to secure true economy
and to improve the appearance of "God's acre".

I trust you will be able to obtain
the sanction of Government for the ex-
penditure.

I am, Rev. & Dear Sir,
Yours faithfully
W. Leeming
As. Chaplain of N. Black Town

No. 87.

Madras
2nd Feb. 1881.

To The Chief Secretary to Government,
Fort St. George.

Sir,

I have the honour to submit for the sanction of Government a proposal from the Chaplain of North Blacktown to replace the ruined Hut for the Watchman at Washermanpettah Cemetery by a small Cottage of a more permanent character at a cost of Rs 340.

2. The plan and estimate have been drawn up by the Department of Public Works, and the building would probably be erected by that Department. But I presume the cost would be a charge on the Presidency Allotment for petty constructions in G.O. 8th Dec. 1879, No 2308, Financial Dept.

I have the honour to be,
Sir,

Your most obedient servant,

G. Watton.
