GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

26th February 1881, No. 367.

READ THE FOLLOWING PAPER:—

No. 400. From Major R. S. JAGO, Deputy Conservator of Forests in charge, Nilgiri Range, to the Secretary to Government, Revenue Department, Madras, dated Ootacamund, 22nd February 1881, No. 298.

I HAVE the honor to address Government in reference to the proposed bark store and drying shed on the Naduvatam Chinchona Plantation, sanction for the erection of which was accorded in G.O., No. 1,367, dated 20th October 1880.

2. As Government are aware I took charge of the Chinchona Department on the 1st instant. On the 8th idem, I visited the Naduvatam Plantation and found that no attempt whatever has been made to begin the erection of these buildings. Even the collection of materials has not been put in hand.

3. As it is very important that these buildings be erected as soon as possible and as the south-west monsoon will set in at the latest by the middle of May next, three months hence, I request that Government will be pleased to direct that they be put in hand at once.

4. I find that a sum of Rs. 20,000 has been allotted in the current year's budget on account of these works. As only about five weeks remain of this official year and the amount will lapse if not utilized, I beg that I may be authorized to place the above sum at the disposal of the Superintending Engineer of this Circle who is very anxious to begin collecting materials at once. Trusting to be favored with the earliest possible orders of Government on these points.

No. 401. ORDER THEREON, 26th February 1881, No. 367.

Miscellaneous.

COMMUNICATED to the Public Works Department for very early action.

2. The Accountant-General to whom G.O., 20th October 1880, No. 1,367, will be communicated, will be authorized to place at once at the disposal of that department such portion of the sum of Rs. 20,000 as the Superintending Engineer may require for the work during the current official year.
