Read the following paper:—

No. 97-A. Endorsement of the Secretary to Government, Revenue Department, dated Ootacamund, 2nd October 1880.

From C. A. GALTON, Esq., Secretary to the Board of Revenue, to the Secretary to Government, Revenue Department, dated Madras, 20th September 1880, Miscellaneous No. 10,270.

WITH reference to the Order of Government, dated 8th December 1879, No. 2,308, directing that in future all Civil Buildings shall be in charge of the Heads of Departments concerned, who must arrange for the execution of all repairs and petty works costing less than Rs. 1,000, I am directed to point out that difficulty is experienced in properly conserving the large block of buildings at Chepauk occupied by the Board and the Survey and Settlement Departments without professional advice. It has been necessary to consult Mr. Chisholm regarding the state of the roof, which leaks considerably after heavy rain; he is quite willing to take charge of the building, and the Board think that the annual allotment for repairs will be expended to much better advantage if repairs are entrusted to him.

TRANSFERRED to the Public Works Department.

(Signed) C. G. MASTER,
Secretary to Government, R.D.

No. 97-B. ORDER THEREON, 25th February 1881, No. 506 W.

THE block of buildings occupied by the Revenue Board and other offices will be placed under the charge of the Superintendent of Works, Presidency, the necessary funds being transferred to the Public Works Budget from the source provided in the Civil Budget for the execution of repairs to Civil Buildings.
