Rev. S. O. 268
df 8th Feb. 81.

With reference to Government
Order No 508.W. of the 25th Instant I have the
honor to inform you that as the interpretation
put on the use to which I was going to put the
Barriers was not quite in accordance with my
intentions I resolved that the simplest course
would be to do without them altogether and
I have carried out the Census accordingly.

I have the honor to be,

Sir,

Your most obedient servant,

A. A. A. A.
