Sir,

With reference to G.O. No. 349 W of 8th ultimo, I have the honor to report that the preparation of materials for the repairs to a portion of the Palace buildings at Tiruvadamardur has been put in hand. The work consists chiefly of repairs to floors and walls and plastering, and as no bricks are to be had on the spot they will have to be specially made, and building cannot be commenced at once. About 500 Rs can be spent in this official year chiefly in the
