*For The Secretary to the Government of Madras
Public Works Department*

Enclosure to P. W. D. No. 307--17 G of 1881.

Dated 15th August 1879.

The satisfactory completion of your course of study at the Royal Indian Engineering College having been duly reported to this Office, the Secretary of State for India has been pleased to appoint you to the Engineer Establishment of the Indian Public Works Department as an Assistant Engineer, Grade, with effect from the 23rd September 1879.

Your further employment and advancement in the service of the Government will be determined according to the usages and regulations of the Public Works Department in India; to the rules and regulations of which Department, for the time being, as laid down by the Indian Government, you will be subject.

Your claims to leave, furlough, and pension will be determined by the regulations laid down by the Government of India, and made applicable to their Civil Engineers; such regulations being subject to any modifications or alterations which may be made in them from time to time by the Government of India, and their interpretation in case of any doubt arising being left to that Government. Your service for furlough and pension will be held to begin from the date of your appointment, *viz.*, the 23rd September 1879.

In the event of misconduct on your part, you will render yourself liable to dismissal from the service, with forfeiture of all claims to pension, or other penalty, in accordance with the usages and regulations of the public service.

In the event of your being compelled by ill health, certified to the satisfaction of Government, to quit the service of the Government of India within the period of ten years from the date of your first appointment to the service, you will be furnished with a first-class passage back to England at the public expense, provided that you avail yourself of it within three calendar months of your leaving Government employment.
