GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

11th March 1881, No. 656 W.

General.
Establishment.

Read the following paper:—

No. 31. From Major H. R. MEAD, R.E., Superintending Engineer, Second Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 15th February 1881, No. 71.

I have the honor to bring to your notice that Conductor Milne, the Nilgiri Sub-Divisional Officer, has reported that he cannot get good messengers or lascars at Rs. 6 per mensem as sanctioned in G.O., No. 3,674 W., dated 18th September 1878. The peons of the Revenue Department on the Nilgiris get higher rate of pay, and as the wages of ordinary labor on the Hills is of course high, I request that you will be so good as to obtain sanction of Government to the rate of Rs. 8 per mensem to each messenger or lascar.

The increase for the four men on the Hills will be Rs. 8 per mensem.

2. If possible, I would urge that paragraph 664 may be made applicable to all office establishments on the Nilgiri Hills, that is for clerks, lascars, and messengers; at present those permanently stationed on the Hills get nothing but the same pay as that given on the plains.

No. 31. From the Revenue Dept. dated 7th March 1881/82

No. 32. ORDER THEREON, 11th March 1881, No. 656 W.

THE pay of the four messengers stationed on the Nilgiris will be raised from Rs. 6 to Rs. 8 per mensem, with effect from the 1st March; the additional cost, Rs. 8 per mensem, being met from savings in the Establishment Budget of 1881-82.

2. Paragraph 664 of the Public Works Code is inapplicable to the office establishments referred to by the Superintending Engineer.
