FOR ORDERS.

If the Sec. P.W.D. can
advise any reduction
of the Secy's amt for
his Office Estab. to
ask better the position
of the Peons. I shall
be glad to consider
it. As soon as I
don't think we can ask
G.O. I add I to amt.

stronger reasons. That
that Daffadar should
ask for more pay than
was orig. demanded
diff? The higher R.D.

In accordance with
the instructions of the
Honorable Members on the
previous "For Orders" sheet,
a complete statement
of salaries to Peons and
Daffadars in the Civil
Departments of the Secre-
tariat has now been
obtained from the Account-
ant General.

2. The following com-
parative statement

shows the results in
one view for all Depts.

FOR ORDERS.

Scale of pay	Chief Secretariat			Revenue Secretariat			Military Secretariat			P. & H. Secretariat			Remarks

3. It will be seen that
while the Chief Secretariat
has 27 persons & costing Rs
207, and the Revenue and
Military Departments 13
costing Rs 103 and 105 re-
spectively, the P. & H. Dept
has only 11 persons costing

Average per man - 7.57 Rs.

7.92 Rs.

8.00 Rs.

7.54 Rs.

Notes in the other Depts
have effected by reduction
in numbers.

Rs 83. Of these, 9 are
on a uniform rate of
Rs 7, against 13 persons
in the Chief Secretariat,
5 in the Revenue and 8
in the Military drawing
higher rates of pay.

4. A redistribution of
salaries as suggested by
the Honorable Member
does not seem feasible.

W. Lawley Esq.
Secretary to Government
P. & H. Dept
S

17th Feby/81.

Hon. Mr. Huddleston

Note

I don't quite follow
the argument.

The C. L. M. S. Dept. are
on a totally different footing
from the other S. Dept.

I presume the P. H. has
fixed what was found
necessary at the time.

Does P. H. now propose
to ask Mil. or Rev. to
disburse a portion of
his pay to the cost
of P. H. Estab. & about
of Louis. P. H. pay
being increased?

This seems scarcely
reasonable if this
Estab. are not
excused. but R. H.

With reference to the
note of the Honorable
Member dated 19th Feby/81,
it is explained that
any redistribution
of salaries involves
reduction of numbers,
which is impracticable.
The other Departments
of the Secretariat
had larger sums to
operate upon, viz:
Rs 207 in the Public Dept.
" 103 in the Revenue
" 105 in the Military
while the P. H. Department
has only Rs 83.

The

any means for providing
the add^d sum needed
I wish to say
that I trust his
friends for getting
the full line of his
papers.

I don't know
 whether you will be
 shown that I have
 any distinct idea
 as to the 2nd
 & some on the
 1st office "Koyun
 Zabitan" -
 L.B.

They have distinct
offices, both long
for carrying on
conducting long for
Rgs. of the State
Establishment. It is
in a separate Branch of
State, either in connection
with guaranteed Railways.

4. The undersigned cannot but think that if the work of the P. I. D. is done by eleven men where the Military Depart^{ts} have thirteen, the average pay of the former might fairly be made equal to that of the latter, instead of being as at present \$7.55 to \$8.08.
