The Secy. H. W. Committee.

Done
14-3-81

At a meeting of the Harbour Committee,
February 26th, at which were present Captain
J. H. Taylor and Honorable P. Macfarlane, also
Messrs. W. Parkes and Messrs. J. M. Thompson.

Messrs. Parkes submitted plans and ap-
= proximate estimates for the said reclamation
and jetty construction, prepared by him in con-
= sultation with the Master Attendant, and on the
basis of that officer's letter submitted to Government
with the last report of the Committee. These estimates
when fully completed will be forwarded to Government.

Resolved that the Committee approve un-
= derly of the proposed plans, and that the work be
taken in hand at once, under G. O. No. 234 W. of
28th January 1881.
