

No 685 to 74 - March / 81 -

To Sec: Works,
India

In
I am desired to
request that if possible
such documents may
be furnished to the
Government, as will assist
of a connected history
being compiled of the
scheme for improving
the navigation of the
Upper Godavari river
- especially the records
subsequent to the
transfer of the work
to the Central Provinces
and those connected
into the final aban-
-donment of the project.

It is understood
that the Proceedings
of the Govt of India

Hon W Huddleston

draft in Approval

A short time since
the Hon^d & Carmichael
wrote also in the work
important papers connec-
ted with the scheme
in improving the Upper
Godavari river in
navigation, but I was
only able to find in
Office papers prior to
the transfer of the work
to the Central Province
and again these came
into the retrospec of
the Shumsherum Ancient
Stores in a final
closure of the work
under order of the Govt

An writing also to Cal-
cutta in information
have learned that
an official app^r will

Produce all we
need and as it is
-truly a pleasure very
desirable that the
history of the work
and its final aban-
-donment should now
be compiled uniform-
-ly with those of our
other large works and
drawing up. I have
drafted the following
letter for approval

B. N. 6857 2/14. March 1881
