GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

7th January 1881, No. 6 W.

Buildings and Roads.
Civil Works.

Read the following paper :—

No. 8. From Major H. M. VIBART, R.E., Superintendent of Works, Presidency, to the Chief Engineer, Public Works Department, dated Chepauk, 1st December 1880, No. 3,207.

I HAVE the honor to report that the Executive Commissariat Officer, Madras, has brought to notice the necessity of repairing the road leading from the slaughter-house to the Mount Road. The road in question is situated within the limits of the Saidápet Farm, but as it is used chiefly by the slaughter-house carts and vans the Superintendent of Government Farms objects to repair it. I have the honor to request that I may be informed if this department is to undertake the repair of the road. I would mention that I have no funds at present at my disposal for the work.

No. 8-A. From the same Officer, dated 7th December 1880, No. 3,302.

WITH reference to my letter No. 3,207, dated 2nd instant, I have the honor to inform you that the Executive Commissariat Officer, Madras, has intimated to me, under date the 4th idem, that the Superintendent of Government Farms has undertaken the repair of the road in question leading to the slaughter-house.

It would be well, however, if Government would definitely decide who is to attend in future to the repairs of the road in question.

No. 8-B. From the same Officer, dated 15th December 1880, No. 3,431.

WITH reference to your memorandum No. 2,762, dated 9th instant, I have the honor to state that the slaughter-house appears to have been in existence before the Farm was started, and to have come within farm limits by all the land in that locality having been allotted to the Farm.

No. 9. ORDER THEREON, 7th January 1881, No. 6 W.

The Government consider that if the road in question is needed solely in connection with the Commissariat slaughter-house, its maintenance should devolve on the Commissariat Department, funds being supplied from the Public Works Budget. So long however as the Superintendent of Government Farms can do the work without inconvenience the existing arrangements will not be disturbed.

Note of Remarks.

The Revised Estimate
& Comparative Statement with
Report, for Constructing a
Drain for Sewage to the
old & new Royal Artillery
Barracks at Chittur,
Mumal, in the Chingleput
Division amounts to Rs.
3376 or Rs. 916 in excess of
the Original Estimate.

The Amount of the Estimate
originally sanctioned for the
work was Rs. 2460, vide G.O.
No 3900 W. dated 5th October
1878.

The Cause of Excess is due
to the necessity of moving the
line of drain further from
the foot of the Wall of the
Artillery Barrack Outlines,
& towing the, using covering
stones, so that the closed
drain may be at any time
opened & cleared & planting
a low hedge on the bank.

The Rates mentioned
agree with the Bids Schedule.

The Estimate has been
affirmed of & countersigned
