Sir

Madras

I have the honour to request that an appropriation of Rs. 81. maybe sanctioned under the head of temporary Establishment for the adjustment of charges for the Survey of the Kundaluru project in the Nellore Division

Sanctioned in
G.O. No. 321 N. 9
29th June 1871

2. It is not ascertainable, why the charges were not adjusted at the time when they were incurred, but the Executive Engineer states, that the vouchers have only recently been discovered, when the records were arranged. A Finance Officer from Bengal was in charge of the project,

and the expenditure was incurred by
him in 1877, only on a preliminary recon-
noissance and on trial pits not on actual
survey.

3. The Kundulurn Survey was sanc-
tioned as Provincial; and therefore
application is made for Provincial funds.

I have the honor to be
Sir

Your most obedt. servant.
