Sir

I regret to have to report that the allotment to this District of Rs 4,000 from the Canal and Ferry Funds given in G. O. No 3255 of the 17th December 1879 has remained unutilised.

2 I only discovered this a short time since, and have since been making enquiries as to the reasons why no work has been carried out.

3 I find that the order was simply passed on from the Office of the Superintending Engineer late 1st circle, to the Executive Engineer of the Eastern and Western Divisions, but no special instructions were given.

4 Under G. O. No 99 I of the 22nd June 1877, all expenditure connected with Ferry Boats crossing the canals is debitable to Irrigation Funds. The money given from Canal and Ferry

Funds is not available for boats crossing in
Canals, and only boats crossing drainages
can be provided or maintained from this
grant.

5 I doubt whether the whole of the Rs
4,000 would, under any circumstances be re-
quired, but as no arrangements have been
made for its utilisation, I am obliged to sur-
render it.

6 In G. O. No 325 W of the 7th February
an allotment of Rs 1,500 for this District is
sanctioned from Canal and Ferry Funds.

7 I will arrange either for the proper
expenditure of this sum, or for its more early
surrender.

I have the honor to be
Sir

Your most obedient servant
