Sir,

I am directed to acknowledge receipt of
your No. 438 dated 18th ultimo and, in reply, to say
that the Government of India has been pleased
to withdraw the sum of Rs 17,252 from the
Madras Imperial other Services grant for 1880/81.

Explanation of necessity for
modification applied for.

This building was reported
to have been constructed very
badly and the De-Engineer
proposed to spend a sum of Rs
300 for rectifying the more
glaring defects before it was
handed over to the Mofussil
Commissioner. As Mr. Fox
and Sub-Overseer Narasim-
achary were both respon-
sible for this bad con-
struction and as they are
no longer in Govt employ
the Sub-Engineer had no
alternative but to order
the building to be put in
order. The excess over the
Estimate in this case will
be about Rs 220 which is
within 5 per cent of the
original Estimate of Rs
7,950 & within the power of
the Sub-Engineer to sanction.
The work is now in rapid
progress & will be com-
pleted within the current
year. Hence the necessity
for the additional grant.
