

Head Quarters Mysore Division
Bangalore 20th Decr. 1887
No. 488

From

The Officer Commanding
Mysore Division

To

The Quarter Master General
Fort St. George

Sir,

As no repairs or color washing have been made to the exterior of the Barrack Buildings of the British Troops at this Station for some years past consequent on the financial pressure which has existed, they are all now in a more or less bad state those of the Parade (Infantry) and Uleer (Horse Artillery) Barracks being especially very much out of repair and presenting a very uncared for neglected appearance which I consider is not desirable.

The Superintendent of Works Presidency agrees with me as to the necessity of repairs &c. referred to being executed and states that he intends asking Government for a special allotment of funds for the purpose - as soon as the Estimates are received -

But in case of any objection being raised to the grant of funds towards the end of the official year, I think it desirable to submit, for the consideration of His Excellency the Commander in Chief, ^a special representation as to the necessity of the early execution of the work in hopes he may see fit, when the time comes, to urge upon the Government the disadvantage of delaying the allotment of funds until the next official year.

Yours

which would probably have the effect of postponing their execution of the work for a whole year longer, inasmuch as the rains commence in May and last until December, whereas now there are several months of fine dry weather before^{us} in which the whole could be completed -

I have the honor to be

Sir

Your most obedient Servt.

Maya Major General
Commanding Mysore Division

P.S.

Since writing the above the Estimates for the repair of the Parade Barracks & Hospital amounting to Rs 1383 have been received -

P.R. 6. № 8205

Recd 30 Dec 80

Requests that for several
years state's government
