Superintending Engineer's Office
Second Circle, Coimbatore, 21st Dec/80

From,

The Superintending Engineer
Second Circle.

To,

The Chief Engineer
P. W. Department.

Sir,

I have the honor to inform you that in my application No. 381 dated 9th Nov/80 I had applied for Rs 5000 under Imperial Repairs Military for the Chingleput division, but for want of reserve under that head only Rs 1000 were provided in G. O. No. 2640 W dated 19th Nov/80. This reduced allotment is quite insufficient for the estimates that are waiting sanction in my office and it is now almost exhausted.

2. I have since sanctioned two estimates amounting to Rs 2964 for certain repairs to the Family Quarters in the Begum's Compound, St. Thomas' Mount and ordered the works to be held in abeyance till funds become available. But the Executive Engineer has now received a communication from the Military Authorities giving cover to a report by the Medical Officer in charge of Royal Artillery stating that the present state of the Quarters in question is likely

3. Under these circumstances I request that you will be so good as to transfer from some other circle a sum of Rs 4000 and to place it at my disposal to enable the most urgent repair works in the Division being carried out this year.

I have the honor to be,
Sir
Your most Obedt^l servant
Wm. M. Mearns — Major &
Supt Engineer U. S. Army

Very much yours
