SIR,

Enclosures.

I have the honor to state in reply to your Memo No 559 dated the 7th March/81 that the Congz Archt. does not possess a tile making machine. The machine was lent to him by the Superintendent School of Arts and is Mr. Whisholm's private property having been imported and paid for by him.

Before Mr. Whisholm obtained the machine he solicited sanction on a tender from a Glasgow Firm and the Consulting Architect sent the tracing to Government with his letter of application No 49 of 26th April 1880. This was replied to, see Memo No 1259 dated 1st May 1880 and the question put was answered in Congz Architects letter No 59 dated 3rd May 1880 but no orders were at any time issued.
