*Chief Engineer P.W.D.**Sir,*

I have the honor to request the permission to authorize the Executive Engineer South Arcot Division to demolish the old Post Office at Porto Novo and to sell the materials by public auction

2. This building was abandoned by the Postal Department in September 1873 as unfit for occupation, but is still borne in the Return of Buildings of that Division. It is in a very dilapidated state and beyond repair, and the materials when sold will not fetch more than 100 or 120 Rupees.

3. The Executive Engineer reports that the site must be preserved for a new Post Office, for which an estimate of Rs. 1870 was submitted to the Post

Master

Master General in 1874 by the then
District Engineer, but nothing has
been heard of it since.

 But for it we might
 interest the present
 concerned. When the work
 present in all the cases —

As it is, I suppose
 we had better write
 to India for sanction —

S. A.

There is a ruling
 of the S. A. to the effect
 I am almost certain

I can recall one if not
 two distinct decisions
 to the effect and how
 it is not in the S. A. Code
 I cannot conceive —

I am best way will be
 to act in the ruling of
 our Code but in so doing
 point out to the S. A. that
 in ordinary cases it will
 be well in the S. A. to have
 sufficient authority in its decision
 to the present matter
