How it is directed

With order in approval

In submitting to Sanction
 this estimate in giving
 the extra accommodation
 required to the Stationing
 Office on the Beach other
 - wise than was originally
 - proposed, I may mention
 that the sheds which it
 was intended first to
 build would certainly
 have been a disfigurement
 to the site, and would
 have interfered directly
 with access to the Post-
 Sanction residence in
 Mr. Christopher's new
 Post & Telegraph Office
 It is not intended
 that the lane to be
 now left north of
 the new P & T Office
 is to be a thoroughfare
 but simply to avoid
 the access mentioned
 as also to give a

light and air to
the lower portions
of the building on that
side, and ^{again} ~~also~~ to insure
as regards its architec-
tural effect that it
shall stand clear of
other structures.

The arrangements and
proposed work the
requisites of the
position, and also of
all interested authorities
I would therefore beg
to recommend the Est.
in sanction.
