To The Secretary to the
Government of Madras,
Public Works Department

Fort William 8th March 1881

Sir,

I am directed to observe that Mr. McEwen, temporary Assistant Examiner of Accounts, has never yet passed the prescribed entrance examination, nor even attempted to pass - as he has thus failed to qualify for confirmation and as he has been more than two years on probation, his services should, in ordinary course, be dispensed with.

But, if the Government of Madras considers that he has been endeavouring to make himself efficient; I am to request that he may be informed that he is offered the option of undergoing the departmental examination in July next. If he does not accept this alternative, his services will be dispensed with at once. If he accepts it and passes, he will be retained. If he fails

but

but does fairly well at the examination he *P.W. CA No 1622*
will be allowed to remain on probation till the
next entrance examination towards the close of
the year. If he fail then, he cannot longer
retain his appointment *Received 14 March 1881*
