Sir

I have the honor to bring to your notice that, there is an old Building at this place, formerly occupied as a Court for the District Munsiff, but which was some years since, I have not been able to ascertain exactly when, handed over to the P. W. Department.

2. It Consits of 1 open hall, with 2 side rooms, the outside dimensions of the Building are 45.3" x 41.0", and the registered value in the return of Buildings is Rs 800/. It is however in very bad repair, not only is the roof bad, but the walls are much decayed, and one side wall has partly fallen.

The Compound attached is very small.

3. Notwithstanding the bad state of repair of the Building, Miss Brandon of the Zenana Mission at this station, has asked me to apply for permission to make over the Building to her for use as a Caste girls School. She also asked me to have it repaired.

4 In reply, I informed Miss Brandon that, as the Building was of no use to the P.W. Department, and that I would have no objection to apply for permission to make it over to her, but that any Repairs required must be Carried out by the Educational Department, as I had no funds for the purpose.

5 Miss Brandon's last letter on the subject is enclosed, and as I do not think the Building is likely to be of any use to us, I beg that permission to hand it over may be given

I

I have the honor to be
