TO

THE CHIEF ENGINEER, PUBLIC WORKS DEPARTMENT,
BUILDINGS AND ROADS BRANCH.

SIR,

× Put up with C. No 162 & taken by Mr Lewis on the 16-4-80 – 22/4.

Enclosures.

In reply to S. O. No 680 W dated the 17th March last, I have the honor to state that should no work of greater importance arise to occupy my time. I propose surveying Singee next cold season commencing on the 6th or 7th of January and devoting as much time to the task as my other duties permitted until the work should be complete probably a month or 6 weeks time in the field.

I should of course require Mr Lewis' assistance.

I have the honor to be

(Jolee returned)

Sir,

I have the honor to request that you will be good enough to inform me whether the trifling repairs to Buildings of historic or Architectural interest costing less than Rs 1000 should be executed by this Department or by the Collector.

2. I send herewith a letter* regarding a case in which the Collector and the Executive Engineer differ in opinion as to which Department should carry out such repairs.

* From the Exe. Engr. South Arcot No. 713 14-10-80 with 2 Estimate.

3. The Gingee Fort is 17 miles

from the nearest work in charge of this Department while there is a Sub Magistrate at Gunjee who has charge of the removal of vegetation from the Fort and should be able to get trifling repairs done also.

I have the honorable
Sir
