ENCLOSURE No. 4.

Proceedings of the Government of India in the Department of Finance and Commerce, dated Fort William, the 12th March 1881, No. 1174.

RESOLUTION.

As some delay will occur in issuing orders on the report of the Committee of Secretaries for the revision of Simla Allowances, the Governor-General in Council has deemed it necessary to issue the following rules in continuation of those promulgated in the Resolutions Nos. 968, 1025, and 1072, dated respectively the 2nd, 4th, and 8th March 1881, regarding officers who on the 1st March 1880 were permanently employed in some office in virtue of which they received allowances under the Simla Allowance Rules, 4th Edition.

These rules will apply only in respect of the journey to, and sojourn at, Simla in the current year.

I.—Travelling Allowance.

(*a*) An officer above the grade of clerk, whose salary does not exceed Rs. 1,500, may charge for his wife, if married to him before the 1st March 1880, and for children born of such wife, travelling allowances in accordance with, and under the conditions of, the 4th Edition of the Simla Allowance Rules.

(*b*) An officer whether above the grade of clerk, or a clerk who is unmarried or a widower, or who has married after the 1st March 1880, having and who had on that date a mother or an adult sister wholly dependent on him and residing with him, may charge for her as for a wife.

2. The Resolutions referred to above have fixed the travelling allowances to be granted to clerks. It is necessary to explain that within the maxima limits prescribed therein, travelling allowances for wives and children may be charged in accordance with, and under the terms of, the 4th Edition of the Simla Allowance Rules.

II.—Maintenance Allowances and House-rent.

The Family and Special Maintenance Allowances, and House-rent, prescribed for clerks in the 4th Edition of the Simla Allowance Rules, may be granted under the conditions of those Rules, provided that no benefits thereunder shall be granted to any clerk in respect of a wife married to him after the 1st March 1880, and the children of such marriage. An officer married after the 1st March 1880 shall retain the benefit granted in the Rules referred to in respect of a mother or adult sister wholly dependent on and residing with him, and who was so dependent and resident on the 1st March 1880.

Ordered that this Resolution be communicated to each Department of the Government of India; the Private Secretary to the Viceroy; the Military Secretary to the Viceroy; and the Comptroller-General.

Ordered also that copies of this Resolution and of the Resolutions of the 2nd, 4th, and 8th March be forwarded to the Governments of Bengal, North-Western Provinces and Oudh, Punjab, Madras, and Bombay, and to the Accountants-General in these Provinces, with an intimation that *mutatis mutandis* the orders therein contained may be applied to the case of the Superior and Ministerial Officers under the Local Governments.

(Signed) E. J. SINKINSON,
Under Secy. to the Govt. of India.

No. 106. ORDER THEREON, 19th March 1881, No. 470.

Communicated to all Departments of the Secretariat for information and guidance in respect to the travelling allowances.

2. Under the Madras rules hitherto in force clerks have drawn batta at the rate of three-tenths of their pay.

3. The Government of India rules make no allusion to this allowance, which has in the memorials which accompanied letter, No. 1794, dated 10th December 1880, been shown to be essentially necessary to prevent the Madras Government employés from being driven into debt in Ootacamund, and the Right Honorable the Governor in Council accordingly resolves that this point falls within the class of necessary alterations contemplated in the words *mutatis mutandis*, and directs that batta at three-tenths of their pay be disbursed to those clerks who accompany Government to the hills.

4. The old rules will therefore continue in force during the approaching season, save in respect to travelling allowances *en route* from Madras to Ootacamund and Ootacamund to Madras on the return journey.

5. Ordered that copy of these Proceedings be forwarded to the Government of India for information, and with request that a copy of the 4th Edition of the Simla Allowance Rules be furnished for record, the only copy sent having been mislaid.
