Civil Works.

Read the following paper :—

No. 38. From the Venerable C. R. DRURY, M.A., Archdeacon of Madras, to the Chief Engineer, Public Works Department, dated Madras, 21st September 1880.

THE enclosed papers refer to necessary repairs for the Fort Church, Bangalore. The building used as a church has not been consecrated and, I believe, is a Military building. Under these circumstances who is to undertake the repairs? I presume the Military authorities, because they might take up the building again for their own use at a moment's notice.

No. 39. ORDER THEREON, 7th October 1880, No. 2,323 W.

ALL work in connection with Military Churches will as heretofore be executed by the Public Works Department.
