Despatch 19<sup>th</sup>

SIR,

I have the honor to report that the work "Erecting Middle School house at Viravasaram" was stopped in January in accordance with the wishes of the Director of Public Instruction, and therefore the allotment of Rupees 2023 provided for the work (vide G.O. No. 111 of 7<sup>th</sup> January 1880) for 1880-81 will be surrendered with the exception of Rupees 276 which is the cost of bricks manufactured and of woodwork done in the workshops here.

The delay in surrendering the amount is entirely due of non-receipt of reply from the Inspector of Schools to the reference made by me on the subject on 2<sup>d</sup> February
