Sir,

With reference to the Proceedings of Government P. W. Department, No. 339 W. dated 8th February 1881, communicated to me with Judicial G. O. No. 379 dated 5th March 1881, I have the honor to transmit copy of a letter from the Registrar of Tanjore, and to request that instructions may be issued in the Public Works Department, for the early construction of the new Sub Registry Office at Tirutturaipundi, in accordance with the design approved of in Judicial G. O. No. 112 dated 20th January 1881.

I have the honor to be.
Hon: Sir,

No 40(3) 888/1 From the Registrar of Tanjore
Trivandrum, 7th March 1881

From The Registrar of
Tanjore,

To The Inspector General of Registration
Madras.

Sir,

With reference to the accompanying
Letter borne Nos 105 and 107 respectively
of the 4th and 21st December 1880 from the
Sub Registrar of Tirutturaipundi on
the sad subject of his present very bad
office accommodation and the
consequent absolute necessity for
his being early provided with a
decent separate office building
that has long ago been duly sanctioned
by Government at a cost of Rs 2180 —
(Vide G.O. No 1910 D.F.W. of the 20th April 1878),
I have the honor to state that from my
own very recent inspection of that
office only at the end of the last month,
all his complaints are quite founded
and but too true and I humbly
request therefore that as he is not
able to secure a suitable building

even for a handsome monthly
rental and as his work must
of necessity suffer seriously under
his present very inconvenient and
very inadequate accommodation
in a wretched front part of the ever
noisy Jalang Cutcherry, you will
be so good as to be pleased to address
the Chief Engineer Madras, on the
subject at your earliest convenience
in view to the Construction of the already
sanctioned new building for the Sub
Registrar's office being at once
commenced and completed with
all possible expedition in the
interests of the public service.

I have &c.

(Signed) S. Ittari Row.
