GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

16th March 1881, No. 711 W.

Buildings and Roads.
Civil Works.

Read the following paper :—

No. 43. From J. W. RUNDALL, Esq., Superintendent of Works, Kistna, to the Chief Engineer, Public Works Department, dated Camp, Santaravur, 21st February 1881, No. 2,587.

I HAVE the honor, in accordance with paragraph 5 of G.O., No. 2,563 W., of the 8th November 1880, to forward herewith an estimate, amounting to Rs. 13,525, for the construction of a quay wall in the tidal creek at Masulipatam, accompanied by the necessary plan, specification, and report.

One Plan.
„ Estimate.
„ Specification.
„ Report.

2. The design is based on Colonel Hasted's design prepared in September 1878. I have added recessed steps for the convenience of passengers landing, and an open tiled shed for the temporary shelter of either passengers or goods. These additions are, I think, substantial improvements, and are concurred in by the Collector, the local Master Attendant, and the Master Attendant, Administrative Department, Madras, all of whom have been consulted.

3. The eventual loss on the construction of the previous jetty is Rs. 574 instead of Rs. 408, as previously reported by me. This is due to the recoveries having been incorrectly booked in the division office, two items having been booked twice over.

4. The loss as finally adjusted is Rs. 198-4-6 in labor, and Rs. 385-10-1 on the resale of timber originally purchased for Rs. 3,181-6-0, or 12 per cent.

5. I regret that the error in the accounts was not discovered previous to my reporting on the matter before. The total loss has now been entered in the estimate forwarded.

6. In G.O., No. 2,969 M.W., of the 3rd January, the sum of Rs. 2,500 was placed at my disposal for the collection of materials; if a further sum of Rs. 1,000 be given in the current year the work can be commenced at once, the balance of the estimate, viz., Rs. 10,525, being placed at my credit in next official year.

From the Master Attendant dated 11th March 1881 No. 2391

No. 44. ORDER THEREON, 16th March 1881, No. 711 W.

THE estimate, amounting to Rs. 13,525, for constructing a quay wall in the creek below the tidal lock at Masulipatam is sanctioned.

2. Rs. 2,500 have already been allotted for the work from Port Funds, in G.O., (Marine) No. 633, dated 23rd December 1880, and the Accountant-General will now be instructed in the Marine Department to place the balance required at the disposal of the Public Works Department, as shown below :—

	Works.	Establishment.	Tools and Plant.	Total.
	RS.	RS.	RS.	RS.
1880-81	1,000	875*	87*	1,962
1881-82	10,025	2,506	250	12,781

* Include charges on Rs. 2,500 already allotted.

3. This sanction has been registered as Local Excluded No. 48 B. of 1880-81, and classified as Miscellaneous, Public Improvement, Original Works.
