ABSTRACT.—Reviewing the Local Fund Budget of the Bellary Circle for 1881-82.

No. 69. *Proceedings of the Board of Revenue, dated* 15*th January* 1881, *No.* 378 (*Miscellaneous*) [*Current No.* 90].

Read the following letter from H. B. GRIGG, Esq., Director of Public Instruction, to the Secretary to the Board of Revenue, dated Madras, 13th December 1880, No. 5778 :—

I have the honor to state that the provision made for Results Grants in the Budget Estimate of the Bellary Circle for 1881-82 does not seem to be sufficient. Important changes having been made in the Results Rules, I would suggest that the sum be raised, if possible, to Rs. 2,000. In other respects the provisions made appear sufficient.

Submitted to Government in continuation of Board's Proceedings, dated 6th December 1880, No. 1851, reviewing the Local Fund Budget of the Bellary Circle for 1881-82.

2. The allotment for Result Grants can, as suggested by the Director, be raised to Rs. 2,000 by reducing the General Reserve, the only source under which money is available.

Acting Sub-Secretary.

2. The regular estimate for 1880-81, as revised by the Board of Revenue, is accepted. The closing balance under Road Fund is reserved for the adjustment of famine charges.

3. Compared with the regular estimate, the proposed receipts for 1881-82 show no marked variation and are approved.

4. The increased provision of Rs. 6,410 over the regular estimate for Repairs, "Communications" is satisfactory, but the necessity for so large a sum as 1,000 rupees against "Contingencies" should have been explained. The allotment for Results Grants will be raised from Rs. 1,000 to Rs. [illegible] on the recommendation of the Director of Public Instruction. The excess allotment will be met from the General Reserve. The other items do not call for remark. The Government confirm the action of the Board of Revenue in disallowing the proposition made for a Clerk on Rs. 15 a-month in the present state of the finances.

5. The balance at the close of the year is small. Endeavours should be made in future to provide for a larger working balance.

6. With the above remarks the Right Honourable the Governor in Council passes the budget of Bellary Circle for 1881-82.
