To

The Secretary to Government
Public Works Department
Madras.

Manora, Karachi
28th March 1881.

Sir.

I have the honor
to bring to notice that having
applied to the Government
of India in the Public Works
Department for some spare
copies of Colonel Wilkin's Report
on the Karachi Harbour Works
dated 1876 (with preface by
Sir A. Clarke dated May 1879.
and

and Plans) which are much
required to meet applications
for information to this office,
one complete copy only proved
available, but it was suggested
to me in reply that I might
possibly obtain some from
one of the

places noted in margin, where several copies had been sent.	Government of Madras ——— " ——— Bombay ——— " ——— Bengal Chief Commissioner British Burmah
---	---

I therefore venture to
request that I may be favored
with a copy if conveniently to
spare?

I have the honor to be
