GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

28th March 1881, No. 631.

Jails—Her Majesty's Penitentiary.

Read the following papers :—

No. 78. *From Lieutenant-Colonel T. E. TENNANT, Inspector-General of Jails, to the Chief Secretary to Government, dated Madras, 4th March 1881, No. 40 [Current No. 690].*

I have the honor to forward a revised estimate for the work connected with the extension of the water-supply of Her Majesty's Penitentiary, Madras, and to request that the sanction of the same by Government may be obtained at an early date.

2. Government in G.O., No. 1940, dated the 12th August 1880, sanctioned an estimate of Rs. 2,251-12-9 for the work in question. The work has been commenced so far as the construction of the reservoir is concerned, but the President of the Municipal Commission having notified that the extension of any water-supply could not be legally carried out by any party other than the Municipality, in accordance with the Municipal Act, the Superintendent of Prisons for the Town of Madras requested the President to inform him whether the Municipal authorities were willing to undertake the laying of the pipes at the rates sanctioned by Government, such rates being those given by the Municipality when applied to in December 1879. In reply, the Vice-President stated that the prices of piping is higher than it was when the estimates were framed, and that there were inaccuracies in the sanctioned estimate that needed correction. The revised estimate now submitted for sanction provides for a masonry covering for the reservoir, this item having been omitted in the former estimate. The total of the estimate now submitted is Rs. 4,306-12-2.

3. I have to observe that the Superintendent of the Penitentiary reports that he made inquiries and found it impossible to obtain the pipes in the local market at the rates given by the Municipality in their first estimate, which formed the basis of the estimate originally submitted to Government.

4. The necessary funds for the work are available from the allotment of Rs. 14,906 granted to this department in Financial Order, No. 2308, dated 8th December 1879. The work is pressing and ought now to be finished without delay; I have, therefore, authorized the work to be proceeded with pending sanction of Government.

5. I annex the original letters received from the Municipal Vice-President for perusal and the favor of return when no longer required for reference.

No. 79. *Telegram from the Inspector-General of Jails, to the Chief Secretary to Government, dated Tellicherry, 16th March 1881 [Current No. 822].*

Your official memorandum 496, total estimate Rs. 4,306 to be met from grant G.O., No. 2300, dated 8th December 1879. Letter follows.

No. 80. *From Lieutenant-Colonel T. E. TENNANT, Inspector-General of Jails, to the Chief Secretary to Government, dated Tellicherry, 16th March 1881, No. 51 [Current No. 852].*

In reply to official memorandum, No. 496, dated 12th March 1881, I have the honor to propose that the whole sum of Rs. 4,306-12-2 be met from the allotment granted to this department by Government in Order, No. 2308, Financial Department, dated 8th December 1879. This arrangement will be more convenient than having part of the estimate met from this source and part from the Convict Labor Fund.

2. The original estimate of Rs. 2,252 sanctioned in G.O., 12th August 1880, No. 1940, was to be carried out from the Convict Labor Fund.

No. 81. ORDER THEREON, 28th March 1881, No. 631.

Under the circumstances represented in the first of the foregoing papers, the Right Honorable the Governor in Council sanctions the revised estimate, amounting to Rs. 4,307, for extending the water-supply of the Penitentiary, and in modification of the instructions in paragraph 2 of G.O., 12th August 1880, No. 1940, directs that the amount be met from the allotment made to the Jail Department in G.O., 8th December 1879, No. 2308, on account of petty works.
