Sir,

with duplicate.

With reference to your endorsement No. 1081 S.A. dated 12th Instant on my application for boring apparatus and well Excavators for Phateatope and Pelandorai Amicuto, I have the honor to state that you would observe that the apparatus had been already ordered from the P.W. Stores and sanction to the same is urgently required. 2. It is expedient that the Phateatope wells should be sunk rapidly; Fouraces Excavators are most desirable, the Supervisor Lobbiah Naidu has worked with these. An estimate and Indent for 30 Excavators are therefore submitted here with for immediate sanction. In this case the value of each Excavator is not known, but it is observed that in 1874 it was supplied from the P.W. Stores at Rs 45 each; the

the same rate is allowed in the present estimate. I have however sent in an Indent to the stores for three Excavators asking at the same time to let me know the price.

I have the honor to be,
 Sir,
 your most obedient servant.
