on the 31st March

I have received from the President of the Stores Committee, a statement showing the recommendations made by the Committee with reference to the superfluous stock in the Kistna Eastern Division. But I am informed that the orders of Government have not been issued on the Committee's proposals.

2. It would save both trouble and expense, if in Counting Stores and stock of this Division early in April, in accordance with the orders in yours N^o 472 of the 24th February, we could, at the same time arrange for the separation and packing of all articles which are to be sent away from the Division, other.

wise they will to some extent have to be gone

therefore if you will inform me as soon
as possible whether the Committee's pro-

Dr W.

Your rough
draft cannot be
found in the office
& must have been
destroyed. The clerk
who copied it has
gone to bed -

The papers to be printed
with the G.O. are bulky
& will take some time
to ~~print~~ come in, although
I marked them "print
soon".
