*Proceedings of the Board of Revenue, dated 14th February 1881, No. 1574 (Miscellaneous)
[Current No. 379].*

Read the following letter from H. P. GORDON, Esq., Collector of Bellary, to the Secretary to the Board of Revenue, dated Adóni, 18th January 1881, No. 280:—

In their Proceedings, No. 1017, of the 19th May 1880, Financial Department, Government sanctioned an establishment for Local Fund Works in this district as a tentative measure, approving the remarks of the Board of Revenue on the scheme sent up.

2. One of these remarks was a suggestion that travelling allowance should be regulated, as far as possible, in accordance with the Department of Public Works Code.

3. I have the honor to forward copy of a resolution of the Gooty Local Fund Board expressing their preference for fixed rates of travelling allowance, and to inquire in what manner the divergence of opinion upon this point between the Local Fund Board on the one hand, and the Board of Revenue and Government on the other, is to be accommodated.

4. On the authority of the Government Order above quoted, travelling allowances have been passed by me up to date according to the rules of the Department of Public Works.

5. In whatever manner the question may be decided, I have the honor to request that my action in this respect may be authorized.

Submitted for the orders of Government.

2. The President's action is entirely in accordance with his instructions.

(A true Copy and Extract.)

(Signed) E. GIBSON,
Acting Sub-Secretary.
