From,

Inspector-General of Registration
Madras.

To,

The Honorable R. Davidson C.S.I.
Chief Secretary to Government
Fort. St. George.

Dated, Madras, 3rd December 1881

Honble Sir,

On my inspection of the Sub-
Registrar's office at Shialli on the 3rd Oc-
tober last, I remarked as follows.

"The office is held in a room
attached to the Taluk Cutcherry. The ac-
commodation is altogether insufficient
for the purpose. An additional room is
required for the Sub-Registrar, his
clerks and parties, when the present
room.

room may be utilized as the record-room."

2. Adverting to this remark the Registrar of Tanjore asks that the sanction of the Government may be obtained for the erection of an additional room which is "very urgently and indispensably required". Letter No. 455 dated 30th November 1881 (to be returned)

3. I have the honor accordingly to request that you will be pleased to obtain the sanction of the Government to the Public Works Department preparing the requisite plan and Estimate for the purpose.

I have the honor to be
Honble Sir

Your most obedient servant.

W. Hammett
Inspector General of
Registration.

Explanation of necessity for reappropriation.

As the Plan and Estimate for the New Barracks for Royal Artillery at St Thomas Mount (B.I No 2) have not been sanctioned, it is proposed to utilise a portion of the grant on certain urgent repairs and minor works in the Presidency and Chingleput Divisions.

2. Rupees 57500 are surrendered from the grant for the Telegraph Office at Madras and Rupees 3000 for minor works. Of the total sum Rs 60,500, Rupees 27,500 are applied for the Post Office at Madras and Rupees 10,000 for the new Telegraph Office at Deralah. The Post Office at Madras is from 20 to 30 feet below the level of the Telegraph Office, and it is considered highly desirable that both buildings should be carried on together. The new Telegraph Office at Deralah is ^{a work} of urgent necessity.

3. Under "Other Services Salt", Rupees 24,097 inclusive of charges on account of Establishment and Tools & Plant are surrendered, in consequence of the Bars at Rangoon and Ceylon not closing as early as was anticipated.
