SUPERINTENDING ENGINEER,

SIR,

Enclosures.

I have the honor to submit for
your consideration the following claim
for promotion and arrears of pay made
by Mr. Evans Assistant Engineer
in the South Arcot District. viz
"2 In Circular No. IV Public Works
Government of India P. W. Department
General dated Fort William February 18
1881, para 2, it is stated "that the Govern-
ment of India considers that the Students
of the Royal Indian Engineering College -
who are appointed 3rd Grade Assistant
Engineers should be promoted to 2nd
Grade after a years service, provided
they

they have conducted themselves Satisfactorily."

"This Order should have retrospective effect."

3. I was appointed as a third Grade Assistant Engineer on October 1st, 1875, and spent my first year of service in the Trichinopoly District, under the orders of the late Colonel James Verdu P.C. I was not promoted to the second grade till 1st September 1877. As Colonel Verdu never, either verbally or in writing, found fault with my work (and I remained under him till July, 1877) I trust I may be permitted to say that I conducted myself satisfactorily during my first year of service.

4. Under the above circumstances, I would respectfully request that my promotion to the second grade may be antedated to 1st October 1876 and that the arrears of pay for the period from 1st October 1876 to 31st Aug."

not

"August 1877 (Rs. 1100) may be passed to me."

I have the honor to be
Sir

Your Most Obedt. Servt

Chanderjit P.C.

Superintendent Engineer
