GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

6th December 1881, No. 3037 W.

Buildings and Roads.
Civil Works.

Read the following paper :—

No. 16. From Major H. R. MEAD, R.E., Superintending Engineer, Fourth Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 22nd November 1881, No. 510.

At the request of the Government Architect, I have the honor to forward to you direct the revised plans and estimates for Government House, Ootacamund, amounting in the aggregate to Rs. 4,02,914, as shown below.

- 1 Detail Estimate and Specification.
- 1 Abstract Estimate.
- 1 Duplicate do.
- 1 Comparative Statement.
- 13 Drawings.

	RS.	RS.
I.—As per comparative statement	3,17,093	
II.— Do. water-supply for new building	8,582	
		3,25,675
III.—Cost of Upper Norwood properties		20,306
IV.—Improvements to do.		21,440
V.—Covered way from new building to Upper Norwood		1,693
VI.—New road approaches including compensation for land.		33,800
		4,02,914

2. Owing to the numerous changes ordered from time to time and also to the change of the staff at Ootacamund, I regret that fuller explanation than given in the comparative statement cannot be afforded, but Mr. Chisholm's report explains generally the reason of the necessity of the present revised estimate and also the cost of the additions and alterations it is proposed to carry out.

3. I earnestly request that I may be allowed to put all the work now estimated for in hand without delay, unless this is done I fear the house will not be complete and ready for occupation by the 15th of April 1882, a few days over four and a half months hence; there is a great deal to be done, and the zinc roofing has to be ordered from England, and much material has to be prepared.

4. Further delay must necessarily cause extra expense.

No. 17. ORDER THEREON, 6th December 1881, No. 3037 W.

ORDERED that the revised estimate for Government House, Ootacamund, amounting to Rs. 4,02,914, be forwarded to the Government of India for sanction, and in the meanwhile that the work as estimated for be carried to completion.

2. In addition to the sum of Rs. 20,000 allotted in G.O., No. 2108 W., dated 25th August 1881, a further assignment of Rs. 40,000 may now be availed of for the further prosecution of the work during the current official year; a specific appropriation will shortly be made.
