Sir,

I have the honor to state in
reply to your No ⁸²¹_{W.C.} of 2nd Instant that
if the New Court house were sanctioned
and the Contract given out it would I
think be possible to spend a grant of
Rs 40,000 during the year.

2. It is a work however that in my
opinion should have its materials to a
large extent provided as it progresses.

3. There is no storage room at
Calicut for doors and Windows or
sawn scantlings and every thing of the
kind deteriorates rapidly.

4. It is difficult at present
to get even small works carried
out.
