Sir

13th Augt 1881
No 1468

With reference to the Proceedings of Government in the Financial Department noted in the margin I have the honor to mention that the rooms occupied by me in the High Court Buildings are in urgent need of repair.

The wood work requires painting and repairing, the walls and ceiling white washing the Chicks repairing and also some of the external brick-work and pillars. It would also render the rooms far more convenient for my use, if the larger of the two were partitioned in

in the manner described in the Estimate sent herewith. An application with the above suggestions was made by my Predecessor Mr. Handley to the Chief Engineer. The Estimate for Rs 668 prepared under the Orders of the Executive Engineer is herewith submitted, and I request therefore Sanction for payment of the amount.

2. In conclusion I would submit that the work should be commenced during the Xmas holiday, as at no other time can I conveniently give up the Office to workmen.

I have the honor to be
Sir
