DECEMBER.

Privilege Leave.—Communicating endorsement of Government of India forwarding correspondence stating that it is improper that an officer who, while on privilege leave obtains a certificate to the effect that he is incapable of work and requires leave for a lengthened period, should be allowed to rejoin his office before the expiration of his privilege leave, and should then be permitted to proceed on furlough on medical certificate.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

3rd December 1881, No. 2369.

Privilege Leave.

Read the following paper :—

Extract, paragraph 2, from a letter from the Secretary to the Government of India, Home Department, to the Secretary to the Government of Bombay, No. 377 (Police), dated Simla, 18th November 1881.

I am however to point out that the course followed in this case, which appears to the Governor-General in Council to involve an evasion of the leave rules, should not be adopted in future cases of a similar nature. In the opinion of the Government of India, it is clearly improper that an officer who, while on privilege leave, obtains a certificate to the effect that he is incapable of work and requires leave for a lengthened period, should be allowed, even for a single day, to rejoin his office (the duties of which it may be presumed that he is physically unfit to perform) before the expiration of his privilege leave, and should then be permitted to proceed on furlough on medical certificate.

No. 7—378-89 [Current No. 3258].

Copy of the above forwarded to all Local Governments and Administrations for information and guidance.
