

PRESIDENCY PUBLIC WORKS WORKSHOPS,
Madras, 22nd July 1881.

No. 1044 W.

From

THE GENERAL SUPERINTENDENT,
PUBLIC WORKS WORKSHOPS,

To

THE Chief Engineer S. P. W.

Madras.

SIR,

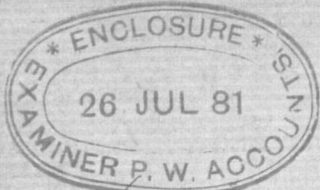

Enclosures.

In March 1881, a bill for Rupees 459-12-⁰⁰ was submitted to the Inspector General of Ordnance for Chimneys and other stores supplied for "Berbice" lamps, and in May a revised bill was submitted for Rupees 449-11 at the request of the Commissary of Ordnance as certain articles were returned. The former bill should, therefore, have been cancelled, and as this was not done thro' oversight, and was debited in the accounts of the Workshops for 1880-81, I beg that the amount may be written off to Profit & Loss. 2. As the revised bill was also debited and adjusted in the accounts of the Shop for May, there is no actual loss to the Workshops, and this sanction is solicited to relieve the Workshops of the debt.

I have the honor to be

Sir
Your most obedt Servant
