In G.O., No. 1,115 W.,* dated 28th April 1881, a sum of Rs. 6,142 was transferred from Convict Labor Fund and added on to the current year's Public Works Department Provincial Grant for the undermentioned works :—

Laying down a system of pipes for a water-supply to do. ...	2,252
	4,817
Establishment ...	1,204
Tools and Plant ...	121
	6,142

2. The first work having been completed in 1880-81 and a completion certificate submitted, the grant made for it in the current year is not necessary and should be resumed.

3. With regard to the second work, the Superintendent of Works, Presidency, submits a copy of revised estimate (which I herein enclose) amounting to Rs. 4,307, and which he states was sanctioned in Judicial Department G.O., No. 898, dated 7th May 1881, which does not appear to have been communicated to this office.

4. I beg to invite your attention to the following points in the revised estimate with a request that the Judicial Department may be called upon to rectify them :—

- (1.) No classification has been given to the estimate.
- (2.) No provision has been made in it for Public Works supervision and tools and plant.
- (3.) The last two items in the estimate appear unnecessary and should be substituted by "contingencies."

5. An additional grant will be required for this work if it is to be completed during current year.

Cs. Or. No. 457 of 28.3.81.

Draft order submitted.

An addition to the
order is necessary with
reference to para 4 clause
3 of the Govt. note - If
~~the~~ "Contingencies"
be substituted for ~~the~~
the last items in the
estimate, the amount
would be reduced to
5% (code para 983) -

The last item but one
would properly be covered
by "Contingencies" - The last
item is apparently meant
for "Petty supervision"
(code para 1035) -

From G.O. Jd. No. 63,
of 28.3.81, it would
seem that the work

entered

is being carried out by
the Municipality - If this
be the case, it is not
apparent why P.W.
establishment & tools & plant
should be charged for.
