2. The opening balance of the regular estimate adopted by the Board of Revenue is only slightly in excess of that shown in the President's account. In future the Accountant-General should furnish the Board with particulars of the amount as directed in the review of the Chatrapur Circle Budget for 1881-82. The regular estimate, as revised by the Board of Revenue, does not call for remark.

3. The closing balance of Road Fund according to the regular estimate is Rs. 1,29,438. It is not proposed to carry this amount forward to the budget for the current year, but it is reserved (except to the extent of Rs. 18,000, which is necessary to avoid a deficit) for famine adjustments. The amount is, however, too large to be paid in one year; and it is absolutely necessary that there should be provided the usual reserve of 10 per cent. of the receipts under Road Fund which the Revenue Board have omitted for want of funds; and the unallotted balance should be much larger than Rs. 1,420 shown in the budget to serve as a working balance during the first few months of the year before the collections come in. Only two-thirds of the amount, Rs. 1,29,438, will be set apart for famine adjustments; and the entries in the budget should be—

4. In the Budget for 1881-82 the decrease in the Land-cess estimate, as compared with the entry in the last budget, is due to smaller arrear balances remaining for collection. The charges have been correctly revised and explained by the Board of Revenue.

5. With these remarks the Right Honorable the Governor in Council passes the budget of the Chittoor Circle for 1881-82.

Read—the following letter from W. S. WHITESIDE, Esq., President of the Local Fund Boards, North Arcot District, to the Secretary to the Board of Revenue, dated Palmanér, 30th May 1881, No. 194:—

WITH reference to paragraph 20 of the Proceedings of the Board of Revenue, dated 6th April 1881, No. 591, reducing by one half the allotment made in the budget of the Chittoor Circle under the head "Furniture and Sundries," I have the honor, at the instance of the Local Fund Board, to point out that the provision made was not intended to meet merely the supply of furniture to the Dispensaries as supposed by the Surgeon-General, but also to meet the contingent charges, such as the supply of perishable articles, Indian drugs, oil and similar others necessarily required for the Dispensaries. I therefore request that the Board will be pleased to withdraw the reduction of half the amount and retain the full sum allotted.

2. As regards paragraph 21 of the Proceedings under reference, the Local Fund Board unanimously adhere to their opinion that batta is unnecessary for Vaccinators, and they must decline to make any additional provision on that account. They observe that the Vaccinators are employed to do special work for which an adequate amount of pay is sanctioned, and they also draw extra allowances for any extra work that they perform in excess of a certain fixed minimum for each month, and they do not consider that they have any right to claim travelling allowance in addition.

Resolution—

THE Local Fund Budget of the Chittoor Circle for 1881-82 is herewith circulated to all officers concerned.

2. PARAGRAPH 3 OF THE GOVERNMENT ORDER.—The alterations pointed out in this paragraph have been carried out in the budget by which full Road Fund reserve of Rs. 12,770 is provided, besides leaving an unallotted closing balance of Rs. 12,640.

3. The revised Talukwar Statement II-B furnished with the President's letter,* dated 28th April 1881, No. 144, has now been embodied in the budget.

* Board's Proceedings, dated 1st June 1881, Miscellaneous No. 5,448.

4. Under the circumstances explained in paragraph 1 of the President's letter read above, the original allotment for furniture and sundries required for the Dispensaries of the circle will now be restored.

2. The opening balance of the regular estimate adopted by the Board of Revenue is only slightly in excess of that shown in the President's account. In future the Accountant-General should furnish the Board with particulars of the amount as directed in the review of the Chatrapur Circle Budget for 1881-82. The regular estimate, as revised by the Board of Revenue, does not call for remark.

3. The closing balance of Road Fund according to the regular estimate is Rs. 1,29,438. It is not proposed to carry this amount forward to the budget for the current year, but it is reserved (except to the extent of Rs. 18,000, which is necessary to avoid a deficit) for famine adjustments. The amount is, however, too large to be paid in one year; and it is absolutely necessary that there should be provided the usual reserve of 10 per cent. of the receipts under Road Fund which the Revenue Board have omitted for want of funds; and the unallotted balance should be much larger than Rs. 1,420 shown in the budget to serve as a working balance during the first few months of the year before the collections come in. Only two-thirds of the amount, Rs. 1,29,438, will be set apart for famine adjustments; and the entries in the budget should be—

	RS.
Opening Balance, Road Fund	1,29,440
Total Receipts	3,67,270
GRANT I—	
Road Fund Reserve	12,770
Reserved for Famine Adjustments	86,290
Allotted by the Board of Revenue for works	16,580
Unallotted Balance, Road Fund	13,800

4. In the Budget for 1881-82 the decrease in the Land-cess estimate, as compared with the entry in the last budget, is due to smaller arrear balances remaining for collection. The charges have been correctly revised and explained by the Board of Revenue.

5. With these remarks the Right Honorable the Governor in Council passes the budget of the Chittoor Circle for 1881-82.

(Signed) R. DAVIDSON,
Chief Secretary.

Read—the following letter from W. S. WHITESIDE, Esq., President of the Local Fund Boards, North Arcot District, to the Secretary to the Board of Revenue, dated Palmanér, 30th May 1881, No. 194:—

WITH reference to paragraph 20 of the Proceedings of the Board of Revenue, dated 6th April 1881, No. 591, reducing by one half the allotment made in the budget of the Chittoor Circle under the head "Furniture and Sundries," I have the honor, at the instance of the Local Fund Board, to point out that the provision made was not intended to meet merely the supply of furniture to the Dispensaries as supposed by the Surgeon-General, but also to meet the contingent charges, such as the supply of perishable articles, Indian drugs, oil, and similar others necessarily required for the Dispensaries. I therefore request that the Board will be pleased to withdraw the reduction of half the amount and retain the full sum allotted.

2. As regards paragraph 21 of the Proceedings under reference, the Local Fund Board unanimously adhere to their opinion that batta is unnecessary for Vaccinators, and they must decline to make any additional provision on that account. They observe that the Vaccinators are employed to do special work for which an adequate amount of pay is sanctioned, and they also draw extra allowances for any extra work that they perform in excess of a certain fixed minimum for each month, and they do not consider that they have any right to claim travelling allowance in addition.

Resolution—

THE Local Fund Budget of the Chittoor Circle for 1881-82 is herewith circulated to all officers concerned.

2. PARAGRAPH 3 OF THE GOVERNMENT ORDER.—The alterations pointed out in this paragraph have been carried out in the budget by which full Road Fund reserve of Rs. 12,770 is provided, besides leaving an unallotted closing balance of Rs. 12,640.

3. The revised Talukwar Statement II-B furnished with the President's letter,* dated 28th April 1881, No. 144, has now been embodied in the budget.

* Board's Proceedings, dated 1st June 1881, Miscellaneous No. 5,448.

4. Under the circumstances explained in paragraph 1 of the President's letter read above, the original allotment for furniture and sundries required for the Dispensaries of the circle will now be restored.
