

N^o 316

Madras 30th July 1801.

From

Ernest Barclay
Government Solicitor
Madras.

To

The General Superintendent
Public Works Workshops
Madras.

Sir,

1. I am in receipt of your letter of the
27th instant N^o 1101 W.

2. I know of no means by which the
Decree against Mon: Bulliard can be executed
as he is I believe at Pondicherry and has
so far as I am aware no property in British
Territory.

3. The only course I can suggest is to
bring a fresh suit against Mon: Bulliard
in Pondicherry if he be still there upon
the judgment of the Madras Court of
Small Causes but to do this it will be
necessary either to ask the assistance of
the Procureur General at Pondicherry or
to employ a Native Vakil there. Consider-
ing the smallness of the matter I think
the latter course would be the preferable
one, but I should not feel justified in
adopting

adopting either course without the orders
of Government. The amount of the judgment
including costs is only Rupees 135-2-8.
with interest at 6 percent per annum on
Rupees 135-2-8 from 15th March 1880. and
I have no means of knowing what prospect
there may be of recovering the amount due
from M^r. Bulliard if he is sued again
at Pondicherry.

I Am Sir
Your Obedient Servant
J^r Ernest Barclay
Government Solicitor.

2 Should Government think that a fresh suit may be instituted at Pondicherry, I beg that orders to this effect may be given to the Government Solicitor.
