READ—the following official memorandum from C. G. MASTER, Esq., Secretary to Government, Revenue Department, to the Secretary to Government, Public Works Department, dated 25th March 1882, No. 145.

Adverting to Proceedings in the Public Works Department, No. 751 W., dated 18th March 1881, the undersigned is directed to inquire whether provision for the purchase of the "Exchange House" has been made in the Budget for 1882-83 and to what amount.

No. 18.

ORDER—dated 10th April 1882, No. 907 W., Public Works.

In G.O., No. 751 W., dated 18th March 1881, it was resolved to make provision in the Imperial Military Budget for 1882-83 for the purchase of the "Exchange House," Fort St. George.

2. In forwarding* the schedule of Military requirements for 1882-83 application was made to the Government of India for a total grant for the year of Rs. 15,79,419. The sum of Rs. 80,000 was entered in the schedule on account of the "Exchange House," but as the total grant sanctioned† by the Government of India amounted to only Rs. 6,20,000, it was found impossible to make provision in the preliminary issue of the Military Budget for the purchase of the building, which is shown therein as an item without grant.

3. The Government of India will now be requested to sanction a special additional assignment of Rs. 80,000 under Imperial Military, but pending the receipt of a reply no further steps should be taken towards the acquisition of the property.

LETTER—from

COLONEL R. H. SANKEY, C.B., R.E.,
Secretary to Government, Public Works Department,
Madras,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
MILITARY DEPARTMENT.

SIR,

Adverting to Resolution by the Government of India in the Public Works Department, No. 412 A.G., dated 9th November 1881, sanctioning a total grant of Rs. 6,20,000 for Military Works in the Madras Presidency for the year 1882-83, I am directed to request that the Government of India may be moved to sanction an additional assignment of Rs. 80,000 under the following circumstances.

2. It has for many years been considered eminently desirable in the Military Department that Government should acquire an important building in Fort St. George, known as the "Exchange House," the property of certain private individuals, at present rented by Government as the Garrison Mess House with all the inconveniences of private ownership, and so far back as September 1879 the Revenue authorities were directed to acquire the ownership of the property under the provisions of the Land Acquisition Act X of 1870.

3. Owing, however, to the restricted grants sanctioned by the Government of India for Military Works in this Presidency, it has hitherto been found impossible to make provision in the Imperial Military Budget for the purchase of the building, and its acquisition has consequently had to be deferred from year to year. The inconvenience of the present position of affairs can be readily understood. It dates back from the early days when the bulk of the trade of the country was in the hands of those who resided or carried on their business in the Fort, and the building is the only private property now so situated.

4. In the Schedule of Military requirements for 1882-83, forwarded with my letter No. 2293 W., dated 16th September 1881, the sum of Rs. 80,000 was entered on account of the purchase of the "Exchange House," but as the Government of India sanctioned a total grant for the year of only Rs. 6,20,000 against a demand of Rs. 15,79,419, the item had to be shown in the preliminary issue* of the Military Budget as without grant.

* Vide this office letter No. 3121 W., dated 16th December 1881, and the Quarter-master-General's letter No. 8115, dated 2nd December 1881, printed with Proceedings of Government, No. 3120, dated 16th idem.

5. In view to the early completion of this long pending transaction, this Government trust that the Government of India will find it practicable to comply with the request contained in paragraph 1 of this letter as a special case.

I have the honor to be,
Sir,

Your most obedient servant,

3RD APRIL 1882, No. 367, REVENUE.

CONFIDENTIAL.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following letter from R. J. MELVILLE, Esq., Collector of Madras, to the Secretary to Government, Revenue Department, dated Madras, 23rd March 1882, No. 89 :—

I have the honor to state that I have just received an application from Messrs. Tasker and Wilson respecting the acquisition by Government of the Exchange House in the Fort for a Mess House. This was not unexpected, as, in conversation last evening, the Government Solicitor warned me that something of the sort was about to occur.

2. The Government, in a Notification published in the Supplement, *Fort St. George Gazette*, dated December 3rd, 1879, declared that the building in question was required for a public purpose, viz., a Mess House. Mr. Barlow, then Acting Collector, after some correspondence with the Deputy Collector and Public Works Department on December 9th, 1880, made an offer of Rs. 70,000, which was refused by Messrs. Tasker and Wilson on behalf of the shareholders whom they represent, and Rs. 1,00,000 claimed as payment in full of all demands. The refusal to accept the sum offered, reported in this office letter, dated January 25th, 1881, does not appear to have attracted the attention of Government, as in Government Order, dated February 21st, 1881, No. 329, paragraph 3, they observe that "probably some Rs. 80,000 may be ultimately required with the interest."

3. Subsequently in an order, dated March 10th, 1881, No. 606, paragraph 1 of the Proceedings above quoted,* in which the Collector was directed to complete the acquisition of the property, was cancelled on the ground of no provision having been made in the Imperial Military Budget of the Public Works Department, for the payment of the sum required.

4. Messrs. Tasker and Wilson now point out that it is more than two years and three months since the publication of the Notification by Government declaring the building to be required for public purposes, and request an early answer. They also refer to the fact of their clients having declared their willingness to accept Rs. 1,00,000.

5. According to Section 42, Act X of 1870, 15 per cent. is to be added to the market value, and interest at 6 per cent. on the value of the property and compensation together; this interest to run from the date of taking possession.

6. As the building has been in the occupation, on rent, of Government for many years with the consent of the shareholders, I presume that interest would run only from the date of the Notification. I have no doubt from the letter just received, and the conversation I had last evening with the Government Solicitor that unless very early steps are taken to settle this matter, which can only be done by payment to the shareholders of a sum of money which may eventually be considered sufficient to satisfy their claims, Government will find themselves in Court defending a suit

which may not improbably go against them, I therefore request very early instructions in this matter.

Read—also the following Memorandum from Lieut.-Colonel R. THOMPSON, R.E., Acting Under Secretary to Government, Public Works Department, dated Chepauk, 30th March 1882, No. 752-C.

With reference to memorandum from the Revenue Department, No. 145, dated 25th March 1882, the Secretary to Government, Public Works Department, has the honor to state that owing to the greatly reduced grant sanctioned by the Government of India under Imperial Military, it has been found impossible to make provision in the preliminary issue of the Military Public Works Budget for 1882-83 for the purchase of the "Exchange House," Fort St. George. The Government have, however, resolved to make application to the Government of India for a special assignment of Rs. 80,000 for this purpose, and a Government Order detailing the circumstances will issue in due course. The Government Order directs that, pending receipt of a reply from India, no further steps should be taken towards the acquisition of the property.

ORDER—dated 3rd April 1882, No. 367.

Miscellaneous.

The Collector will be informed, through the Board of Revenue, that application has been made to the Government of India for a special assignment of funds for the purpose.

No. 1.

READ—the following letter from the Secretary to the Government of India, Military Department, to the Secretary to the Government of Madras, Public Works Department, dated Simla, 9th June 1882, No. 535 M.W. :—

I am directed to acknowledge the receipt of your docket, No. 1228 W., dated 15th May 1882, forwarding a copy of the final issue of the Madras Imperial Military Works Budget Estimate for 1882-83.

2. In reply, I am to point out that the amount of the regular estimate for 1881-82 is entered in the budget at Rs. 5,00,000, whereas the amount passed by the Government of India in Military Department Resolution, No. 246 M.W., dated 8th March 1882, is Rs. 4,87,000. I am, therefore, to request that a revised budget estimate working up to the latter figure may be submitted on an early date, together with thirty spare copies of the same.

No. 2.

ORDER—dated 1st July 1882, No. 1658 W., Public Works.

The Imperial Military Works Budget Estimate for 1882-83 has been corrected as pointed out in the above letter.

2. The allotment of Rs. 80,000 granted by the Government of India in Military Department No. 497 M.W., dated 31st May 1882, for the purchase of the building called the Exchange House in Fort St. George has been excluded in this revised budget, but the correction consequent on the reduced percentage for General Tools and Plant has been made.

3. The budget as now corrected will be printed, and thirty copies forwarded to the Government of India.
