Mr. C. Bonell

Late Overseer P. W. D.

To, The Treasury Dy. Collector

Sri, Saidapet.

I most respectfully beg leave to protest against the deductions made from my Pension Pay, this day (viz. 5) claimed by the Executive Engineer Bellary District. Vide his letter (without No.) dated 23rd January 1887 received by you on the 26th ultimo vide Register 47 under the following circumstances;

1. My salary in the P. W. D. was always paid to me by cheque in which the deductions for House Rent was always made.

2. I was on the Sick list at the time I left the Department, suffering from severe injuries (received on duty) and was too sick to notice if House rent had been deducted on the receipt of pay. I concluded it was.

3. It was the duty of the Office to see that all claims, for, or against was adjusted before I was finally settled up with.

4. The length of time (27 years) that has elapsed, since the claim became due, prior to the final claim now made.

Requests you will be pleased to address the District Engineer on the subject, to the purpose of the Papers (5) Time being refunded to me.

I beg to remain
Sir

Your most obedt servant

(Signed) C. Powell

Late Salary Overseer

Palaverum

8th February/82.

N^o 59 Copy of Mr. Powell's letter N^o 1 of 8th Feb/82.

Submitted for orders.

2 It will be seen that Mr. Powell does not dispute that he has been liable for the house rent in question, but professes not to know whether it has been paid or not.

3 It is quite clear that it was not paid, and that Mr. Powell is still liable; and though the amount certainly ought to have been recovered before he left the District, there seems no reason why it should not be recovered now.
