READ—the following G.O., dated 21st April 1882, No. 594, Judicial.

Read—the following letter from G. HAMNETT, Esq., Inspector-General of Registration, to the Officiating Chief Secretary to Government, dated Ootacamund, 9th April 1882, T. No. 663 :—

I have the honor to transmit an extract from my Notes of Inspection of the Sub-Registrar's Office at Kottapeta, in the District of Godávári, on the 3rd February 1882, together with a letter* from the Registrar of Godávári, and to request that the sanction of the Government may be obtained for adding another room to the office, and for the issue of orders on the subject in the Public Works Department.

ENCLOSURES.

Extract from Notes of Inspection of the Sub-Registrar's Office at Kottapeta.

"The Sub-Registrar's Office here is held in a room attached to the Taluk Cutcherry. It was evidently a verandah room, but since divided off. It measures about 18' x 9'. It has only one window and one door. It contains two almirahs, a table, a desk, a bench and two chairs. There is no room for parties. An additional room is urgently required, especially as the office is rising, and parties coming to it should not be treated scurvily by requiring them to stand in the verandah."

From A. SUBRAMIAH, Registrar of Godávári, to the Inspector-General of Registration, dated Cocanada, 27th March 1882, No. 29, and Endorsement by G. HAMNETT, Esq., Inspector-General of Registration, dated Ootacamund, 5th April 1882.

I beg to inform you that the office of the Sub-Registrar of Kottapeta is now located in a room of the Deputy Tahsildar's Office. The room measures 18' x 9', and is not entirely sufficient for the accommodation of the Sub-Registrar and the parties. There is a site by the side of this room on which another room may be built. I beg, therefore, to request that you will be good enough to obtain the sanction of Government for the construction of this additional room.

Endorsement, T. No. 592.

Application will be made to the Government.
