READ—the following G.O., dated 21st April 1882, No. 589, Judicial :—

Read—the following letter from G. HAMNETT, Esq., Inspector-General of Registration, to the Officiating Chief Secretary to Government, dated Palghat, 15th April 1882, T. No. 722 :—

I have the honor to submit an extract from my Notes of Inspection of the Sub-Registry Office at Tanuku, in the Godavari District, on the 6th February last, and to request that, for the reasons set forth therein, the sanction of the Government may be obtained for the construction of a new office on the standard design by the Public Works Department.

ENCLOSURE.

Extract from Notes of Inspection of the Sub-Registry Office at Tanuku.

"The Sub-Registrar's Office is held in an open verandah of the Taluk Cutcherry. How such an arrangement has been continued since November 1878, when a special officer was appointed, I really cannot understand. Two of the three almirahs which contain the Registration records are placed in this open verandah, and the third almirah is placed inside of the catcherry. During my inspection great inconvenience was experienced in getting at the registers, of which upwards of 40 had to be taken out for examination. The office was not inspected by the Inspector-General since February 1872. A new office is urgently needed.

Order—dated 21st April 1882, No. 589, Judicial.

Approved and transferred to the Public Works Department.
