RESOLUTION.

Calcutta, the 3rd February 1882.

His Excellency the Governor General in Council directs that the clause in Rule 19 of the Simla Allowances Code from "Family Maintenance Allowance should not" down to "will accompany it" be struck out; and that the following be substituted for the last Clause of the Rule:—

"If, for reasons which appear sufficient to the Head of the Office, it should be ultimately necessary for a clerk, who has drawn Family Maintenance Allowance, to bring his family to Calcutta or Simla, he may charge their travelling expenses, but must refund the family maintenance allowance drawn for any period after the departure of the Government from Simla or Calcutta, as the case may be."

This change is allowed to have effect from the end of the season 1881.

ORDERED, that this Resolution be communicated to the several Departments of the Government of India, the Private Secretary to His Excellency the Viceroy and Governor General, the Director General of the Post Office of India, the Comptroller General, and the Accountant General, Bengal.
